GET THE RIGHT PATH ARMED WITH THE RIGHT KNOWLEDGE ABOUT SELF **Numero Grapho Personality Analysis (NGPA)®**

INTRODUCTION

Understanding yourself gives you the power to improve and strengthen yourself. Your **Handwriting & DOB is unique** and reveals your thinking style, approach, inclinations, approach, behavior, talents, strengths, weaknesses etc. This is so because your handwriting is actually your **Mind writing** and reflects the Nature of Your Personality. It has been thoroughly researched and validated by scientists and psychologists.

BENEFITS

1. Recognize your strengths.
2. Understand your blocks/weaknesses and ways to remove them.
3. Feel enthusiastic and confident.
4. Take up the career of your choice, which gives you satisfaction.
5. To build better relationships.

HOW THIS WORKS

One of the popular and reliable tools for understanding the human psyche and motivation is Graphology (Handwriting Analysis). Each individual's writing is unique because the **handwriting** is actually the mind writing. That's why **it reveals a lot about a person's habit-patterns and traits as also his/ her state of mind, thinking style, energy level, emotional content, ego, leadership qualities, sensitivity, communication skill, confidence level, etc.**
